Time In A Bottle

This yearbook will keep "Time in a Bottle" for many years in the future. It will keep such memories alive as when Kathy Cavis was crowned Homecoming Queen, and the time that the sophomore wall took second place in the Spirit Week competition. It will remember times like the pep assembly when Mr. Wright fell off the balance beam, and when Bobbi Jo Lewandowski baked a cake shaped like a hall pass for Mr. Goldsworthy on his birthday. We will not forget the fire drills on the frosty days, especially the ones during gym class. Student Council assemblies, dances, and the Save-Our-Sports Walk-a-Thon (S.O.S.), are times that we will think back to.

Time is steady, and continuous, and "waits for no man." Therefore, each moment here at Central is a memory that we will learn from. Some memories are joyous, such as the time when the Girls' Varsity Basketball team beat Marysville for a tie in the SCAL championship. But along with the sunshine, a little rain must fall. Next year the team will kill Brenda McLean.

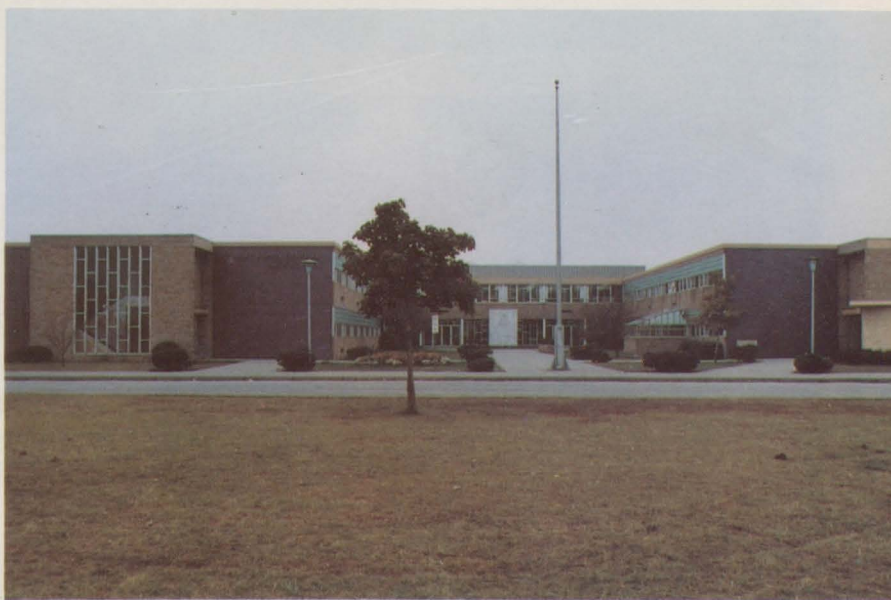

We were all very proud of our Cross Country Team when they went way up to Spring Lake for the State competition. Everyone will remember different things about this year at Central. The freshmen will remember that first nervous day of entering a big, new school. Sophomores will recall getting a new advisor, Bambi eyes, alias Tom Miller. Juniors will (unfortunately) remember taking last place during Spirit Week. Finally, the seniors have the memory of being "top man on the totem pole" all year. Each class will have many memories.

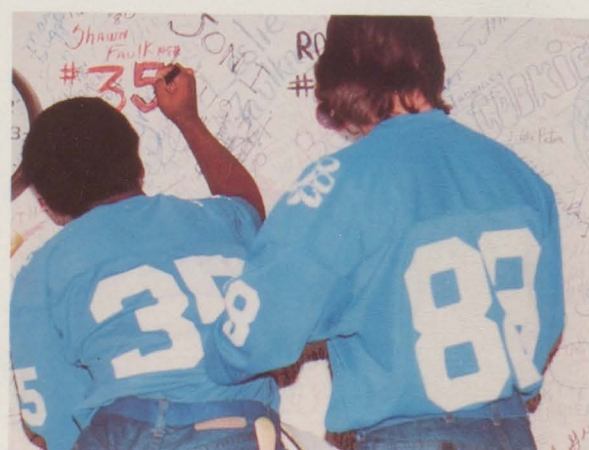

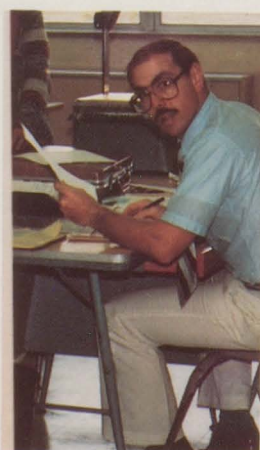

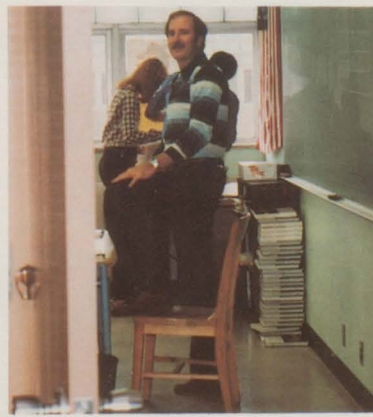

We will remember the times spent waiting in long lunch lines, cramming for exams, going to football games to scream our lungs out for the Cougars, report card times, making up excuses for Mr. Dickinson and Mr. Goldsworthy, and gagging in the hall when the cooking class burned food. The wonderfully crazy and freaky times are everyone's favorites. Spirit Week was a perfect example of freaky times. Remember Mark Wyckoff as a Dallas Cowboy cheerleader, and Mr. LaBelle as Miss Anchor Bay.

Yes, it is "Time to Remember" our days at Central once again. The past year has been filled with all sorts of memories, from wiping the sleep out of your eyes while bouncing along on a school bus in the morning to counting the last seconds on the clock before the 3 o'clock dismissal bell rings. Remember all the times we have shared this past year? There has been study time, class time, fun time and lunch time. We have spent time with our counselors and in the office. These times will remain a part of us forever!

We have had time to live, to learn, to make mistakes, to find out who we are and where we are going. Time to get to know each other and to watch our lives change. We have had time to set goals and to establish priorities. Each moment, be it good or bad, has been very important. As we look back we can see that times have changed, and as we continue into the future, we will see many more changes. Keep this yearbook as a vision from the past, and a tool for the future. With it "time will be ours forever."

Time Flies Over Us, But Leaves Its Shadow Behind

Port Huron Central, a relatively new school which opened in 1971, is now in its ninth year of operation. The Yearbook staff agreed that it would be interesting to find out how much Central has changed these past nine years. We thought it would be best to interview a couple of teachers who have taught here all nine years. Although many teachers have been here since Central opened, space limits us to two teacher interviews. Aside from Mr. Spiess and Miss Nolan; Mr. and Mrs. Rutkofske, Mrs. Allen, Mrs. Hyde, Mrs. Hobbs, Mr. Jamison, Mrs. Eastman, Mr. Nesbitt, and Mr. Currie are the ones that have remained since 1971. Mrs. Lyszak, Central's librarian, has been with the school since 1971 also. In addition, Mr. Pierce, Mr. Goldsworthy and Mr. Dickinson, formerly a department head, have remained the full nine years as administrators. Finally, Mr. Renner and Mr. Elliott, who moved up from a teaching position, have stayed the nine years as department heads. Mr. Dunbar, counselor, is also a nine-year veteran.

According to Mr. Spiess, Central has not changed considerably over the past nine years. However, he feels that school spirit has really improved, and the students get along with each other much better now. One change he does remember is that when Central first opened there was no girls' sports program. Also, various clubs and organizations were more active then.

Miss Nolan remembers quite a few differences. The first year Central opened there was no Senior class! According to Miss Nolan, these are some other changes that Central has undergone: Spirit Week became a tradition, the shop area was built and opened, and the Cubby Hole opened. Also, a second Assistant Principal was hired, a new office area was constructed for the athletic and social studies departments, and the athletic department acquired a whirlpool and weight machines for its athletes. After quite a bit of negotiation, the Board of Education finally approved the purchase of new bleachers, curtains for the stage, and a television camera.

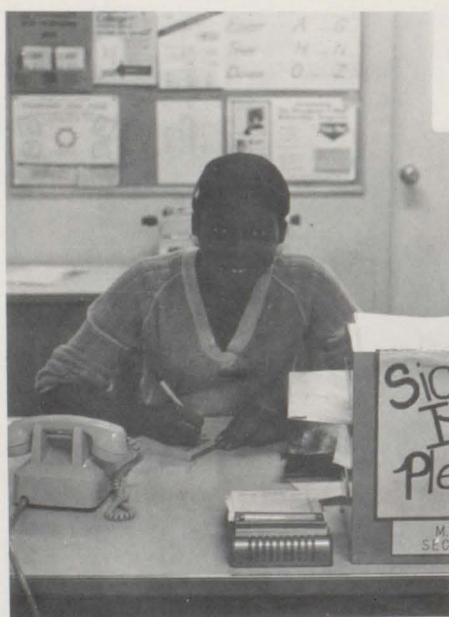

Central today is still basically the same school with a few facelifts, and several new faces. "Time which changes people does not alter the image we have of them." (Marcel Proust)

Time Brings All Things To Pass

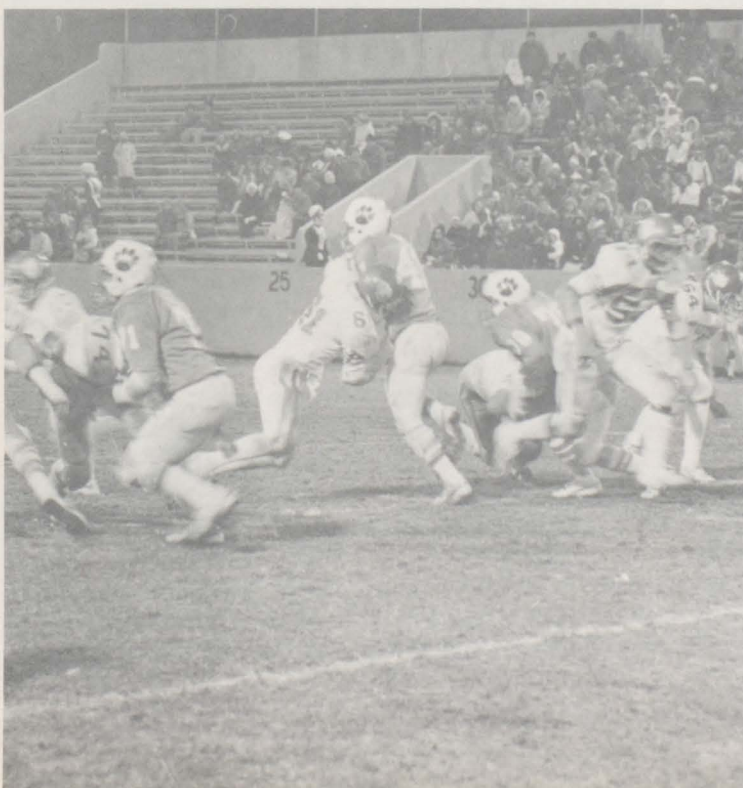

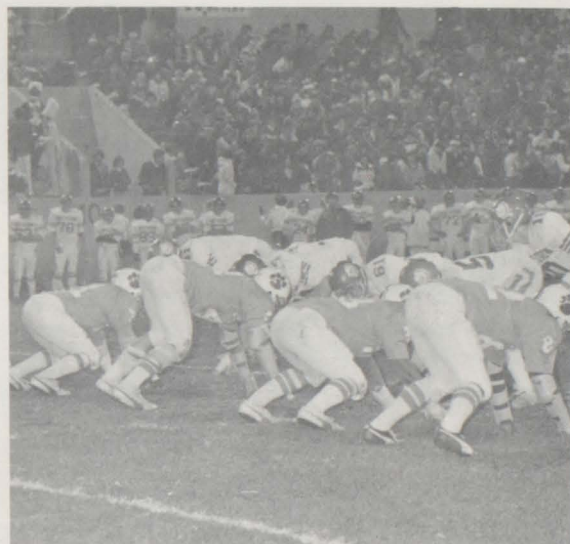

Cougar Varsity Football 1979 — it was described as a “bittersweet” year for Central. 3 coaches put in long hours with the team: head coach, Lonnie Rutkofske; defense coordinator, Craig Dahlke; and specialty team coordinator, Larry Grinder. The ability of these coaches, plus a hard-working football team, gave the Cougars a 4-5 win-loss record overall and 2-3 in the SCAL. The entire team put forth a great effort for most of the season; however, one player, Shawn Faulkner, was outstanding. Shawn was named to both offense and defense All League along with Mark Armstrong and Fred Miller (offense) and Scott Bannister (defense). Shawn, along with Fred Miller, was named to 1979 All Area Team.

The Cougars had several really exciting games. They fought the Imlay City Spartans for an entire game plus one overtime and went scoreless until Les Smith's thrilling touchdown in the second overtime. No football fan will forget the excellent (and nerve-wracking) game against Algonac. In the final moments, Jim Rankin's extra point kick gave the Cougars a victory over the Muskrats 13-12. Remember James Chapman's electric 85 yard touchdown run from the line of scrimmage? This run broke an old record for Central. This year, Central tied another old record (1977) for most shutouts by the defense in a season (Roseville, Imlay City). Go team!

Time Out

The voices of the cheerleaders were still heard this year despite the absence of an advisor. Cheering through football and basketball seasons, the squad's year began in July 1979 and ended in March 1980. The highlight of the year was a pom pon routine to the music of ELO's "Shine A Little Love." This routine, plus several new floor cheers and chants, was learned at a USCA (United States Cheerleader Association) summer camp which the squad attended in July 1979.

1979-1980 Varsity Cheerleaders: TOP ROW L to R: Becky Buss, Debbie Ordowski, Lisa Tyrrell, captain Amy Sheaffer. BOTTOM ROW: Julie Tocco, Debbie Heim, Mickie Simpson, co-captain Cheryl Hathaway.

The camp was located in Ann Arbor on the University of Michigan campus. Under captain, Amy Sheaffer; and co-captain, Cheryl Hathaway, the squad put together a couple of fund raisers, such as a car wash and a dance, to improve the finances for next year's squad. The year was finalized when Amy Sheaffer was named Outstanding Cheerleader 1979-1980 by the members of the squad. This was the second year in a row that she won this honor.

Half Time

The J.V. Football Team shared its first League championship this year, going 4-1 in the SCAL and 6-3 overall. Several players gave outstanding performances for the team during the '79 season. Tony Ward earned the Most Valuable Player Award and was the team's leading scorer. Paul Borowski was named the Most Improved Player, and Doug May was the leading tackler and Best Offensive Lineman.

Good Times

The Junior Varsity Cheerleaders were very active this year even though they were minus a sponsor. Under football captain Patti Barry and co-captain Sandy Hurst, the squad went to the same summer camp that the Varsity squad attended. There the girls received a second place ribbon for "Watch Out," a cheer they borrowed from Varsity. The squad also brought two new cheers back from camp, "Take Hold" and "Go Blue". The girls selected Kim White as captain and Donna Smith as co-captain during basketball season.

Time And The Hour Runs

The Cougar Cross Country Team had another excellent season, going 6-0 in the SCAL dual meets, and finishing first, second, and third in every one. The 1979 team extended Central's longest dual meet win streak to 20. The Varsity team also won the St. Clair Area League Meet for the fifth time which set a school record. Another big win for the Cougars was in the Northern Invitational which consisted of all teams in St. Clair County. Behind swift runners Mark Wyckoff, captain Mike Sanford, and newcomer Glenn Craze, the Cougars literally "ran away" with the League championship. Glenn Craze, a transfer student from St. Clair High School, was voted Most Valuable Runner, and had a best time of 15:25. Mark Wyckoff followed closely on Glenn's heels throughout the season and ran his best time in 15:41. Senior Mike Sanford ran his best time in 15:50. All three were unbeaten by an opposing runner for the entire dual meet season. They were named to the All City Team; All Area Team; and All League Team, along with senior Aaron Prout. Freshman Bryan Lyon, the first Central freshman to run in the State finals; Ken Swarts;

and Greg Whitican completed the list of Varsity. The J.V. team was not to be overlooked, however, by placing eight runners in the first ten places in the League Meet. The Cougars' most memorable moment for the season was winning the Regional Meet for the first time in Central's history and then traveling to Spring Lake, Michigan for the State finals and an eleventh place finish. For his outstanding efforts with the Cross Country Team, Coach Lowell Spiess as named All Area Coach of the Year. The team was very instrumental in helping Central win the All Sports Trophy at the end of the year.

The Cougar Varsity Golf Team had another outstanding win-loss record for the 1979-80 season. Their overall match record was 9-2, and their SCAL match record was 8-2. In addition, the Cougars took second place in the St. Clair Area League Dual Match and Tournament, and they took second place in the City Meet which was their best showing ever. Another excellent showing was a sixth place in the Regionals. The 1979-80 season captain was Ed Schultz, who had a 40.8 average strokes per nine holes, the lowest on the team. Dennis Blake and John Kaiser followed with 42.3 and 42.7 averages respectively. Dennis Blake also earned the privilege of playing on the All League Team. The season's Varsity letter winners were Dennis Blake, Ralph Fernandez, John Kaiser, Rich Maxfield, and Ed Schultz. The season's Junior Varsity letter winners were Dave Goltz, Tim Maxfield, Joe Peters, Chris Wilkinson, and Paul Wyckoff.

No Time To Spare

Another winning season was played by the 1979 Girls Varsity Basketball Team. Their overall record was 16-3 and their SCAL record was 9-1. 1979 captains Monica Williams and Lynne Conner captured the MVP and the Most Spirited Player Awards respectively. The Best Defensive Player was Rachel Prout. Monica Williams was named to the All League First Team and Lynne Conner, Mary McDougal and Rose Culpepper were named to the Second Team. Monica also gained the honor of being selected for the All Area First Team.

The 1979 team was the defending District Champion and also reached the Regional finals, losing to eventual State Champion L'Anse Creuse. In the City Tournament, Central defeated Port Huron Northern but lost to Marysville. The District Tournament got off to a good start when Central beat Imlay City but ended with another Marysville defeat. The Girls Varsity Basketball season ended with Central being co-champions of the St. Clair Area League and runner-up in the District Tournament. Monica Williams was also the recipient of an All State Honorable Mention. The 1980 captains will be Rachel Prout and Mary McDougal.

Time Improves All Things

The Girls J.V. Basketball Team had an exceptional season this year with an overall record of 9-4 and a League record of 8-2. The team placed second in the St. Clair Area League this season. Venice McMillan was definitely the most outstanding player of the season. She had the most points in one game — 23 against Imlay City, the most rebounds in a season — 149, and the most rebounds in one game with 19 against Algonac. Venice also led the team with the most field goals — 43, and Lisa Juzysta was next with 35. Lisa was the leading offensive rebounder with 72 for the season and had a season total of 118 rebounds.

The Flag Cadets worked hard on several projects this year to raise money to finance the purchase of new uniforms and defray the cost of the spring trip to Dallas, Texas. The money was raised by their participation in the bands' March-A-Thon, a fruitcake sale, and a delicious spaghetti dinner. The Cadets worked many long, hard hours to perfect their routines, and they added a flair to the bands' performance at Six Flags Over Texas stadium during the spring competition there in Dallas.

Existence Doth Depend On Time

As school sports threatened to die this year, Central was quick to join the SOS (Save Our Sports) program, which originated at Northern High School. The goal of the SOS program was to raise money to fund winter and spring sports programs for area high schools. Through the continual efforts of the Booster Club officers: Mrs. May, President; Mr. Juzysta, Vice-President; and Mr. Conner, Treasurer; the club purchased \$1100 worth of spring sports equipment. Receipts from the concessions during football season and popcorn sales during basketball season helped with the purchase. New officers for the 1980-81 year are Mr. Juzysta, President; Mrs. McLane, Vice-President, Mr. Prout, Treasurer; and Mrs. Prout, Secretary. Saddened by the sudden death of its president in 1980, Booster Club donated the Rose Rankin Trophy in memory of this very dedicated, hard-working woman. The two recipients of this award for the 1979-80 school year were Aaron Prout and Bridget Paulus.

Time Is The Gate Of Wisdom

The boys' Varsity Basketball Team had its best season so far in Central's history, ending the 1979-80 season with a 7-7 SCAL record. The team's overall record was 10-13. The young men turned in several smashing victories, including one against Port Huron Northern for the first time. Outstanding performances were given by all the members of the team; however, Kenney Sanders gave the extra effort which earned him the Most Valuable Player

Next year's team will be also looking forward to the talents of Fred Diggs, who lead the team with the most rebounds, both defensively and offensively. The team enjoyed the talents of seniors Rudy McMillan and Eric Price, who had the highest free throw percentage (81%) and the most steals and recoveries, respectively. Senior James Chapman received the Oil Can Award for keeping the team's spirits high. The Cougars are looking forward to another productive year in the 1980-81 season. The Boys' Junior Varsity Basketball Team had many talented young men on it but still wasn't able to create the wins that were originally planned. Under first year coach Tom Miller, the team was 6-12 overall and 4-10 in SCAL play. The team was led by Paul Wyckoff's season total of 222 points. Wyckoff was closely followed by Tony Ward who had 200 points. Scott Davis was the leading rebounder with 168, and Bill Wilson had the highest free throw percentage (88). The team felt that they really learned the importance of team work this year, which will help them at the Varsity level.

During mid-season, the Cougar team suffered many injuries but come out on top with a 10-8 overall record. Bob Holzberger, recipient of the Most Improved Player Award, also got the Sportsmanship Award. Senior Mark Burns received the Oil Can Award for boosting the team's spirits. Mike Sanford not only received the Captain's Trophy but also shared the Leadership Award with goalie Rick Doehring. In addition, Doehring was voted the Most Valuable Player Award.

Down For The Count

Once again the Cougar Wrestling Team enjoyed a winning season. The team's overall record for the 1979-80 season was 8-3, and their League record was 3-2. The Cougars did an exceptional job in many tournaments this season. They took first place at the Yale Invitational and second place at the city Meet. They also placed fourth in the SCAL League Tournament. The Cougars had experienced leaders like captains Ray Shuler and Al Davis to set team standards. Both had the honor of receiving the Captain's Trophy, voted to them by their teammates. Shuler had the most pins — 17, which won him the Gold Pin Award. He also received the Sportsmanship and Most Valuable Player Awards for his performance which took him to the State finals. Al Davis was the Most Improved Player and had 9 pins for the season, while Shawn Faulkner received an award for the most takedowns in a season.

Time Steals All Things

PHC's Varsity Baseball Team powered its way to another successful season with a 20-6 overall record. The team was 10-4 in the SCAL and did not recapture its League championship, dropping a 2-1 decision to both Marysville and St. Clair, plus eventual League champ Anchor Bay. However, the Cougars were the winners of the District playoffs by defeating Richmond, St. Clair, Marysville, and finally Imlay City; which advanced them to the Regionals at Mount Morris, Michigan. The Cougars' State play-off hopes were quieted by Saginaw-Eisenhower by a score of 3-1. Despite the League championship loss, the team held a solid five-out-of-ten places on the All League First Team. Second appearances on the First Team were by seniors Marty Glombowski and Jeff Reid at outfield and catcher, respectively. Joining them were junior pitcher Brian Porter (7-4), short-stop Marty Bodeis, and first baseman Ralph Fernandez, who led the team in batting with a .413 average. Reid, the captain, also was the recipient of the All

Finally, Glombowski was named to the All State Team with Reid as an honorable mention. In the nine-year history of Central Varsity Baseball, Central won 4 League championships, 2 District titles, and was never less than second place in the League from 1974-1980. From 1975-1980, the complete win-loss record for the teams was 118-41. Certainly, Central Varsity Baseball has been an asset to school sports throughout the years.

Time Flies

Port Huron Central's Varsity Softball Team finished with a school record of 20 wins and 6 losses. The Cougars finished first in the SCAL with a 12-2 record and then captured the District tournament. Heidi McLane was recognized as the team's Most Valuable Player and finished the season with the best pitching record in the Blue Water Area at 15 wins and 2 losses. Lisa Juzysta, named Most Improved Player, had the best batting average on the team — .424. Julie Gamble was named Most Spirited Player. Several Cougars received post-season honors. McLane and Juzysta were given honorable mention All State. They combined with co-captain Mary Schott and were named to the All Area Team and to the All League First Team, while Gamble and Carol Loxton were named to the SCAL Second Team. Captain Vicky Mellos, Lorraine McBean and Shellie Fischer received honorable mention All League. The entire team played extremely well all season, and each player contributed to the successful season.

The Junior Varsity Baseball Team's bats were hot this year as it won the SCAL championship with a 11-3 record. The team had an excellent overall batting average of .310 compared to its opponents, who had an overall average of .174. Pitcher Frank Rotondi was MVP with a record of 9-1. Catcher Paul Borowski led the team in batting with a .449 average. He was followed by Rotondi (.409), Paul Wyckoff (.394), and Gordie Dunlap (.390). Borowski, one of the team's co-captains, also set new J.V. school records having 22 RBI's and having a total of 31 hits for the season. Co-captain Wyckoff had the most runs scored with 27. Coach George Popa certainly had much to be proud of with his fine team.

The Junior Varsity Softball Team put forth great effort to become co-champs of the SCAL this year. The team's overall record was 14-3. Coach Delekta was proud of his talented team as it trounced twice on Marysville and shut out Algonac 32-0. The girls found their major opponent in Anchor Bay; however, they played exceptionally well and showed school and team spirit. Among the honors given out at the end of the year were Janie Driggers as the Most Valuable Player and Best Defensive Player. She shared the title of Best Hitter with team captain Sheryl Kosal. Dawn Mollan received the Most Improved Player Award, and Beth Green was voted Most Spirited Player by keeping the team's morale from slipping. Many of the girls are looking forward to playing Varsity softball in the future.

The 1979-80 Boys' Track Team had its ninth winning season, going 7-0 in the SCAL. For the second year in a row, Central scored 100 points and up in all League meets and as a result, the Couglars scored a total of 557 points over their League opponents. Some of the young men's highlights were taking fourth place in the Huron Relays and capturing second place in the Central Michigan University Relays. Naturally, the team had many outstanding individuals. Senior Shawn Faulkner set a school record for scoring 224.5 points in one season. In addition, he set SCAL records in the high jump, high hurdles, and low hurdles. Other Central track men who set SCAL records were Glenn Craze in the mile and two mile run; James Chapman, Mike Sanford, Mark Wyckoff, and Marvin Gerlach of the mile relay team; and Leslie Smith, Ken Sanders, Marvin Gerlach, and Tony Ward of the 440 and the 880 yard team. This relay unit also placed second in the State finals, setting a school record of 43.8 seconds for the 440 yard relay. Coach Lowell Spiess shared honors with the young men as he was named SCAL Track Coach of the Year.

Running Against Time

The 1979-80 Varsity Girls' Track Team exhibited strong team unity behind their captain Bridget Paulus, and ended the season with a 5-3 dual meet record and 5-2 in the SCAL. Seniors Barb Cummings, Deanna Maas, and Lisa Tyrrell were team leaders in the various relays and sprints. Monica Williams, an outstanding sprinter and hurdler for the team, was a two-time State champion in the 100 meter hurdles as well as the 200 meter hurdles. The team was aided by strong supporting performances from juniors Tina Borkowski, Debbie Lott, Rachel Prout, and Laura Vernon. Several sophomores and freshmen team members helped the Cougars finish third in the Regionals and third in the State finals. Even though the Cougars were denied their goal of a SCAL Dual Meet and League Meet championship, the girls showed pride and enthusiasm throughout the entire season.

Tennis rackets were swinging this year as Central's 1980 Tennis Team won every dual meet and placed first in the SCAL. Several players gave outstanding performances. Co-captains Jim Rankin and Tim Hopp both received Times Herald Honorable Mentions, along with Tom Urban. Lynne Conner and Steve Cairns shared the Most Valuable Player Award, as well as a place on the SCAL First Team. Steve Ureel, Most Improved Player, and Alex Hopp were also placed on the SCAL First Team. Coach Al Wright did an excellent job developing these players and finished eight years of coaching with an overall record of 93 wins and 18 losses.

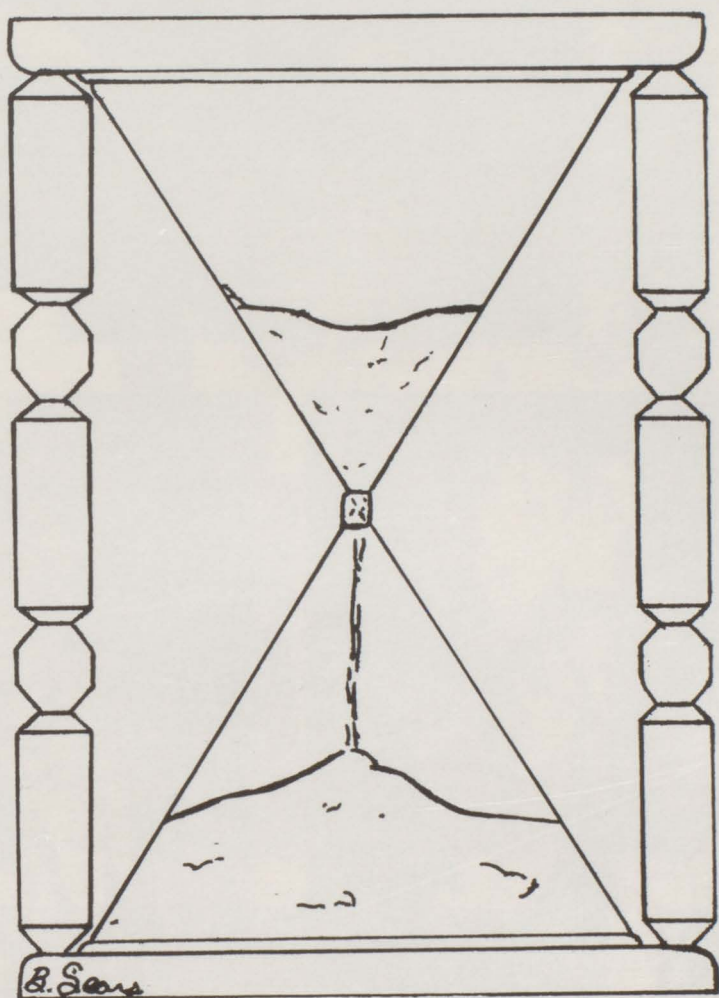

Recording The Good Times

Central's Timettes primarily kept score at Cross Country meets and Boys' Track meets. Another duty of the girls was to figure out track records for individuals. To raise money for the Boys' Track Team, the six girls plus officers Mary Kay Schmitt, President; Donna Hathaway, Treasurer; and Ronda Tosch, Secretary; sold raffle tickets for cakes at home basketball games.

ACTIVITIES

Time To Dance

P.H. Central's 1979 Homecoming Dance was held on Saturday, October 20. Many alumni returned to the dance to get their 1979 Yearbooks. The exciting night came to a peak when Kathy Cavis was crowned Homecoming Queen 1979 at 10:00 p.m. These pictures really captured the emotions of Homecoming 1979. Notice the happy couples as they dance, talk, or have a quiet tete-a-tete in the corner. Take note of the Cougar spirit shown by Carol Baisley or by Brett Alloway as the senior wall is announced the winner of the Wall Contest. And in the lower left-hand corner, Becky Buss whispers to Mr. MacDonald just who the next Queen is, so he can take her picture at the split second of the announcement. All in all, the 1979 Homecoming was a memorable one.

Music Is Nothing But Wild Sounds

Starting the 1979-80 school year off with its usual flashy style, the Jazz Band had another busy year. With much musical ability, the band successfully performed Winter and Spring concerts at St. Clair Community College. Also, the members had the opportunity to perform at different schools in the Blue Water Area. This was done to encourage prospective band members to join the Central band program and to give its members the opportunity to play in front of audiences. Scott Peart, an active band member, received the Louis Armstrong Jazz Award at the end of the year.

Civilized Into Time And Tune

During the 1979-80 year, the PHC Honors Band was active in many fundraising projects as its goal was a Texas trip at the end of the year. Members of the band sold candy, peanuts and fruit; along with having a March-A-Thon and a spaghetti dinner to improve their finances. In addition, the band had a raffle for a giant stuffed cougar. In April the band's goal was reached as it traveled to Dallas, Texas. There band members took part in a nationwide contest. Also, they visited Six Flags Over Texas Amusement Park and toured the city. Back at home, Honors Band played at home football games and gave school performances — both at Central and at various elementary schools. Awards were presented at the end of the year. Senior Scott Peart received the John Phillip Sousa Award and was recognized as the first band member in Central's history to receive awards from both Honors Band and Jazz Band.

Four-Four Time

The 1979-80 year was a busy one for the Cadet Band. Members of the band practiced daily to improve their technique on their instruments as they looked forward to becoming a member of either Honors Band or Jazz Band. In addition, the band worked hard as it participated in all the fundraising activities of the Honors Band. The Cadet Band was rewarded by accompanying the Honors Band to Dallas, Texas and taking part in the nationwide contest. At the end of the year, all members received an award for participation.

Swing Time

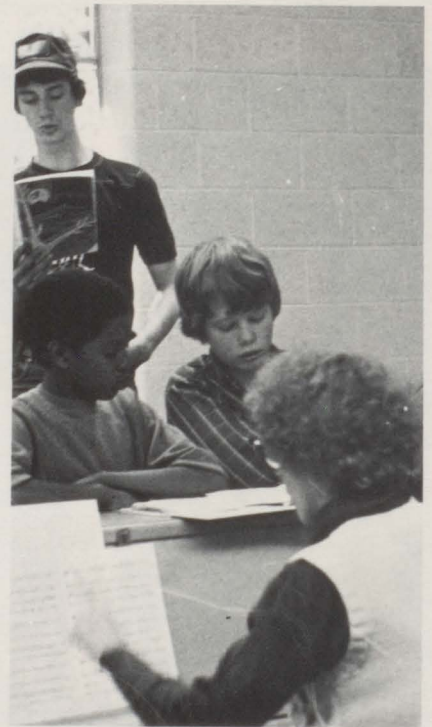

The talented Swing Choir performed many times this year, both for the school and for other functions. For instance, the choir gave a performance at several junior high and elementary schools. Also, the Port Huron Administration's Christmas Luncheon and numerous service clubs had the pleasure of hearing the choir. In addition, Swing Choir sponsored the University of Michigan's Flint concert for the area. School performances included one for the Homecoming Assembly and one for the 1980 Baccalaureate services. For their outstanding performances, Mrs. Culver recognized Kris Gaertner, Sandy Purcell, Jeff Reid, and Bill Kenner as best vocalists in their sections. Kris Gaertner received a \$100 scholarship to Blue Lake Fine Arts Camp, and Mark Brandow, Bill Kenner, and Michelle McLaughlin each received \$50 ones.

Learning To Sing In Time

The Cougar Choir performed quite a great deal this past year. They performed for the Port Huron Area's junior high and elementary schools, numerous service clubs, and also for the Port Huron Administration's Christmas luncheon. The highlight for the choir this year, was having the honor of sponsoring the University of Michigan's Flint concert for the Thumb Area. Mrs. Culver recognized these talented people for being the best vocalists in their section: Dottie Butzin, Lisa Langolf, Dave Ray and Jim Thomason. Great thanks was given to Jeff Berube for his work on the bass and Kris Gaertner for playing the piano for the choir. Nacho Barron and Jeff Berube each won a \$50 scholarship to the Blue Lake Fine Arts Camp for this summer.

Sing To The Tune Of Time

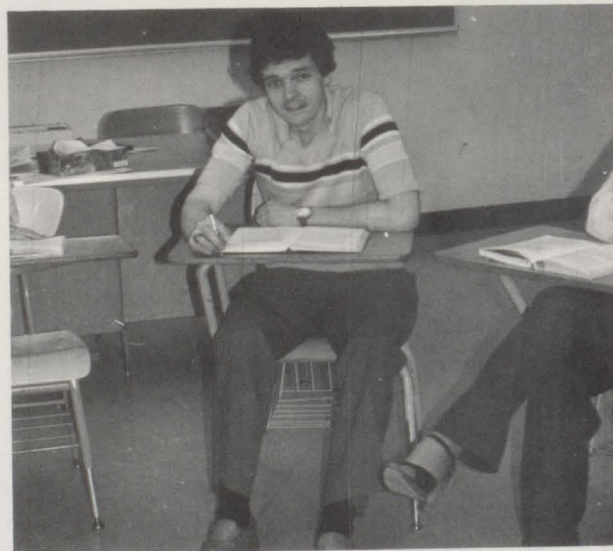

The Treble Choir did a wonderful job performing for the 1979-80 school year. They entertained with their talents such groups as junior high and elementary schools, numerous service clubs; and they also performed for the Port Huron Administration's Christmas luncheon. The Treble Choir, as did the Cougar and Swing Choirs, had the honor of sponsoring the University of Michigan's Flint concert for the Thumb Area. For their exceptional talent in their section, Mrs. Culver recognized Lori Johns and Sandy Purcell. With the talents of everyone in the Treble Choir, they gave nothing but the best in their performances.

Talk Time

The nucleus of the student body was found in Student Council. Representatives from all grades, plus advisor Mr. Charles Meeker, provided Central's students with many activities. Student Council began the year with a magazine sale which was the monetary source of the council's activities. With this money, Student Council presented many assemblies to Central's staff and students. For instance, the Salt and Light Company, Free Fare, and Earth Opera were among the musical entertainment. Just for fun, Student Council had the \$1.98 Beauty Pageant, of which Stu Smith was the winner. However, the biggest event of the year was Home-

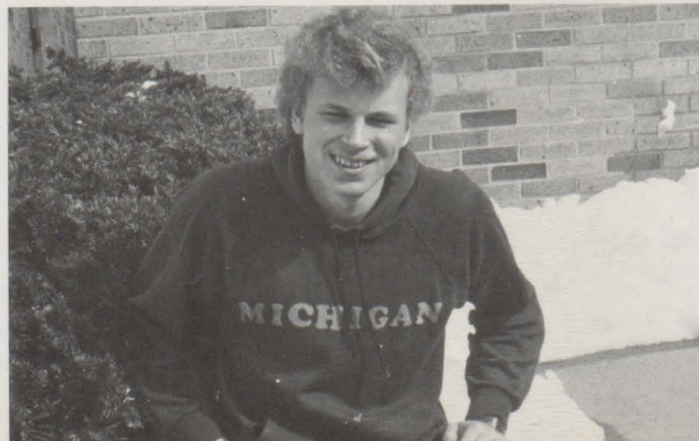

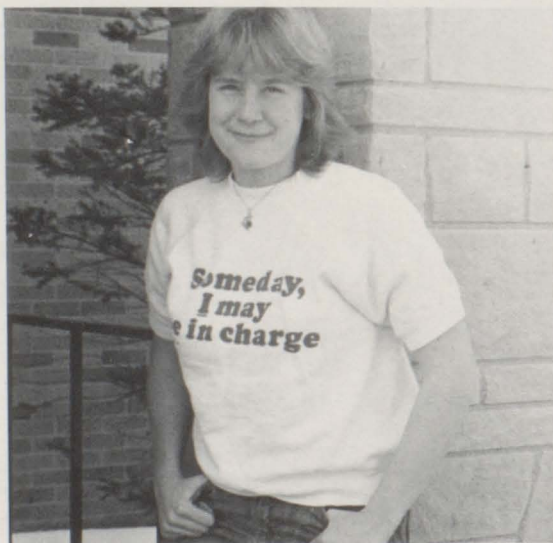

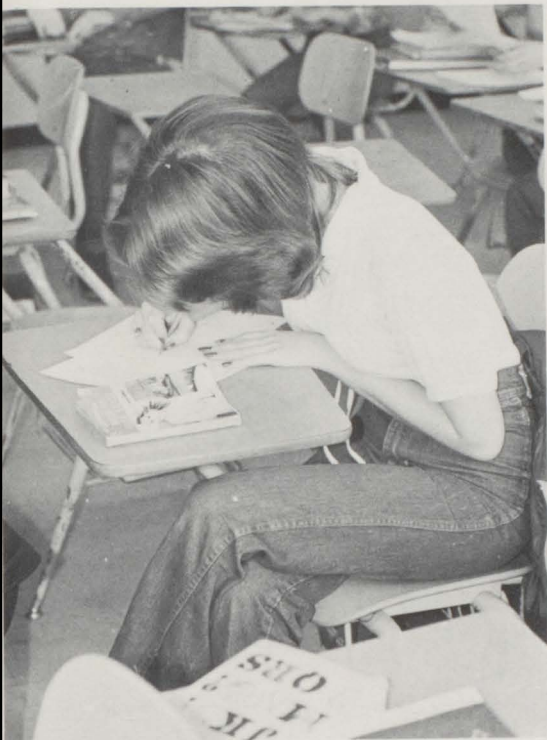

coming. The week prior to Homecoming was Spirit Week as students and staff dressed up for various days and held contests, such as the Wall Contest, pitting class against class. The week was culminated with an afternoon football game and an evening dance. All alumni were invited to these activities. Student Council showed community interest by sponsoring its 3rd Annual Margie Gardner Blood Bank, and it collected 119 pints. Also, Student Council aided the community by collecting money for the Save Our Sports drive. With the remainder of the magazine sale money, the council awarded second semester President Cheryl Hathaway a \$100 scholarship and sent second semester President-elect Dave Goltz to Van Buren Youth Camp. Other officers for the year were Laurie Cook, Secretary and Leann Bradley, Treasurer.

Time Increases Understanding

Central had the pleasure of hosting four Youth For Understanding exchange students: Mark Manki, Mette Thunoe, Santiago Riascos, and Sandra Salazar. The students arrived here in August and returned to their home countries in July of 1980. Mark Manki of Finland participated in Varsity hockey, becoming a successful player. Mette Thunoe of Denmark played cornet in Central's band. She enjoyed the trip the band took to Texas in April. Santiago Riascos of Colombia was on the year-book staff, and he learned how to use a camera, arrange layouts, develop film and print pictures. Sandra Salazar of Mexico arrived here in January of 1980. She was an art student during her stay at Central. The students learned American culture while taking trips with Youth For Understanding to Holland, Michigan and Mackinac Island. The students all agree that they had a great year in America.

Time And Words Can't Be Recalled

Mr. Wright and his fourth hour class did an outstanding job of publishing the Port Huron Central Press, the school newspaper. Editor Dave Fleury assigned his reporters to cover stories over sports as well as over weekly features; some of these being: Teacher of the Week, Student of the Week, Bits of Wit, and Horoscopes. The paper was sold bi-weekly at the cost of ten cents per issue. This simply covered the cost of printing the paper. The students at Central enjoyed the paper as circulation increased from 75 copies to 125 copies — a sell out for every issue.

This year the 1980 Yearbook staff spent many long, hard hours preparing the yearbook. The staff sold \$3000 dollars worth of ads to raise money to defray the students' cost of the yearbook. The staff's goal this year was to make the book as different and as interesting as possible, and to produce a quality yearbook. Instead of the traditional Cougar on the cover, we picked a design to fit the theme of the book, which is "time." Mrs. Mosher was the class advisor, Kim Butout, Editor-in-Chief; Karen Winch, Photography Editor; and Amy Sheaffer, Copy Editor. A yearbook seminar took place at Mercy College in Detroit, and the yearbook staff attended, along with several other high schools. The staff worked hard trying to put together an exceptional yearbook. We hope the students are pleased with the result.

1979-89 NHS Officers
Following page, bottom left, L to R: Becky Buss, Secretary; Bridget Paulus, Treasurer; Lynne Conner, Vice President; Mark Wyckoff, President; Martha Lapish, Advisor.

The National Honor Society was very active again this year. Miss Martha Lapish was NHS's new advisor. The twenty-eight members put on a dance, sold candy, sold carnations, and had the traditional refreshment sale at exam time to raise money for scholarships given out at the end of the year. This year, because of more funds, National Honor Society gave scholarships to three members of NHS and two scholarships to non-members. Bridget Paulus, Mark Wyckoff, and Todd Hillaker were the recipients of member scholarships, and LuAnn Shagena and Walt Lavere were the recipients of the non-member ones. At the end of the year, National Honor Society had its annual Induction Ceremony. Twenty-two new members joined NHS, including five seniors, nine juniors, and eight sophomores.

Free Times Means Time To Read

Mrs. Lyszak, Central's Media Specialist, and Mrs. Ahearn, library secretary, (top right R to L) enlisted the help of student volunteers to keep things running smoothly in the library. Job duties of these people included shelving books, writing overdue notices and distributing AV equipment. During National Library Week, Mrs. Lyszak provided the students with a chess tournament, a computerized Data Processing speaker, and a demonstration of a convection oven by Alice's Kitchen and Bath. The library was used weekly by Student Council meetings, as well as staff meetings and Booster Club meetings. Daily use consisted of library orientations, teacher-classroom groups, and use by study hall students.

Things Work Out In Time

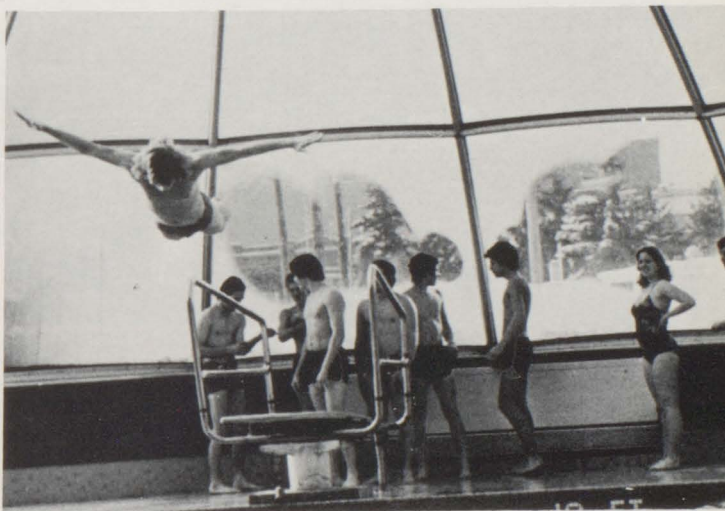

These students were among many who participated in Central's Cooperative Education (Co-op) program. Placement coordinator, Mr. Jerry Miller, placed students in area businesses such as Sears, McDonald's, Winkelman's, Ace Hardware, and within the school itself. A preparatory class was required in the eleventh grade to qualify students for placement in the Co-op situation. Students placed on Co-op were required to take a Co-op related class. This way they not only gained on-the-job skills, they also gained knowledge and information that will be helpful while performing their job duties. Each student received one credit for each semester's work experience. In this way, the student discovered if indeed the work area is the one to pursue upon graduation.

Time Is Full Of Life

Campus Life was very active again this year. Under the careful direction of Mrs. Hobbs, the group's sponsor; and Dan Hendricks, the group's coordinator; the members of Campus Life strove to have a more balanced life through mental, spiritual, and physical aspects. The group took a bike trip to Niagara Falls in June, and they enjoyed a trip to Florida over Spring break. Campus Life again hosted the singing, acting Salt & Light Company, who put on a very successful school assembly and night concert.

Footprints On The Snow Of Time

Port Huron Central's Ski Club spent a terrific weekend in Traverse City. They stayed at Park Place Motor Inn, where the meals were catered and the pool was indoors. They skied at Schuss Mountain and Timberlee Ski Resort. Lori Johns and Dave Rix entered the slalom races and both won silver medals in their divisions. The officers of the Ski Club were President, Matt Fox; Vice Presidents, Robin Kettlewell and Dave Rix; Secretary, Pam Fox. The advisor of the group was Mr. Mark Nolte, who spent several months planning the weekend.

On A Toujours Assez De Temps Quand On L'emploie Bien

The French Club happily added many new members this year. All old and new members sold candy, cheese, and honey to increase the club's funds. The club's advisor, Mr. LaBelle, held Euchre Parties to raise the amount in the treasury. French Club also held two raffles — one for an afghan and the other for a macrame hanging. The hard work by the club and by Mr. LaBelle paid off when the 2nd-, 3rd-, and 4th-year students visited the French restaurant La Cuisine in Windsor, Ontario for a superb dinner on May 8. First year members joined the rest of the members for an end-of-the-year party at Mr. LaBelle's house. Officers of French Club were Kevin Tuttle, President; Tina Shank, Vice President; Leann Bradley, Secretary; and Amy Sheaffer, Treasurer.

Todo Tiempo Pasado Fué Mejor

The Spanish Club, advised by Mr. Stafford, set its goal for an Acapulco, Mexico trip by the end of the year. However, it did not quite meet this goal. To raise money for this trip, the members sold candy. They also had a cheese & honey sale. All members enjoyed making piñatas, which were broken in the Spring. Spanish Club also donated \$200 to Kevin Tuttle, who will be an exchange student in Norway next year.

Time Strengthens Friendships

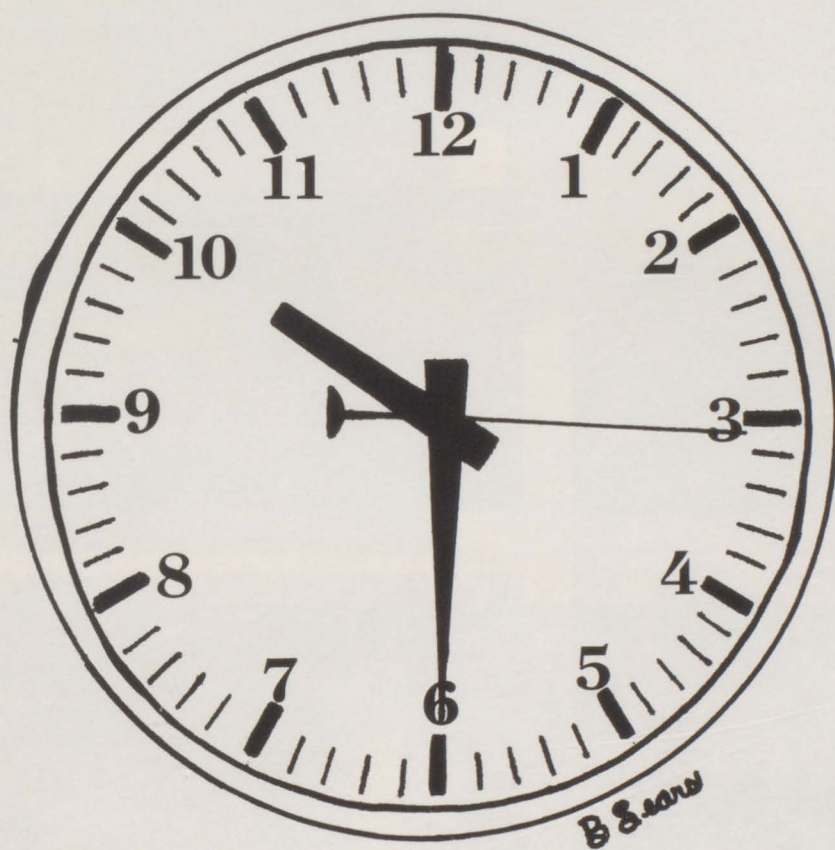

Varsity Club kept school spirit alive this year, and it sold refreshments at all home athletic events. The club had many new members who met the criteria of having a Varsity letter and being a survivor of initiation rites. The main event this year was an Inter-City Faculty Basketball Tournament sponsored by Varsity Club. The winner of this tournament was Northern with PHC as the winner of the consolation game. However, the traditional Cedar Point trip that the Varsity Club usually plans was canceled this year due to lack of funds.

GRADUATES

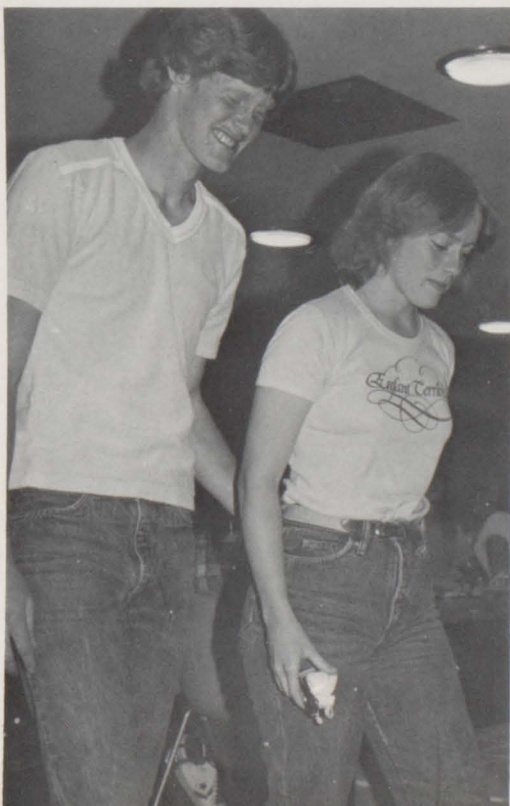

Nothing Belongs To Us But Time

The final days for the seniors were busy ones, indeed. Everyone thought he or she would get to sleep in while the underclassmen still had to attend school. Instead, he or she had to get up to come to marching practice. As the seniors listened to the familiar beat of the processional "Sine Nomine" and the recessional "Pomp and Circumstance," they felt prepared to show the world that they were ready to graduate. At the Senior Assembly on June 5, the seniors said their good-byes to staff and students; and the president of the Class of 1980, Dani Albrecht, turned the gavel over to the president of the Class of 1981, Lori Johns. Ken Sanders and Rosa Ward, accompanied by Amy Sheaffer on the piano, sang the class song, the theme from the movie Mahogany. Sandy Purcell and Chantal Jacques, also accompanied by Amy Sheaffer, sang a choir selection "Dream a Dream."

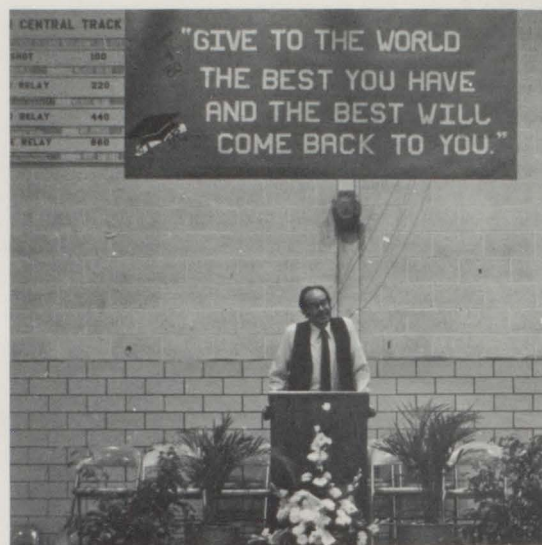

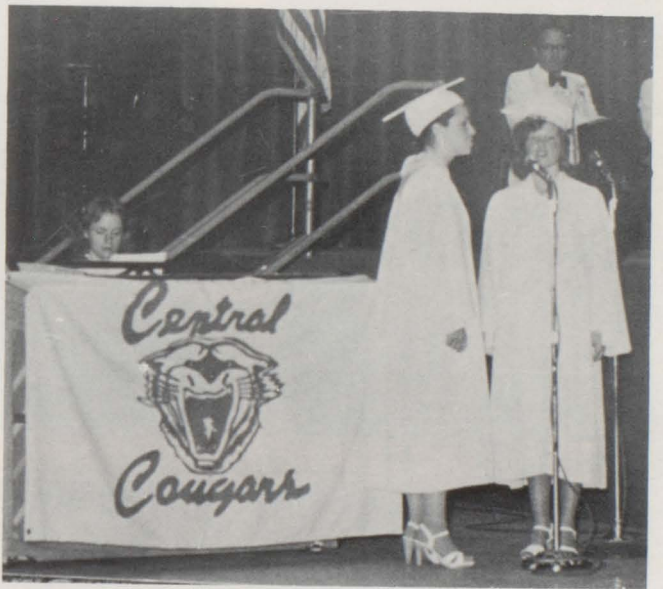

"GIVE TO THE WORLD
THE BEST YOU HAVE
AND THE BEST WILL
COME BACK TO YOU."

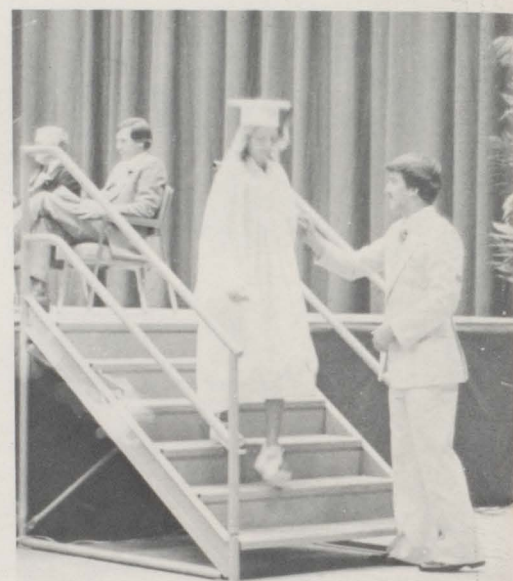

Time Without Learning Is Perilous

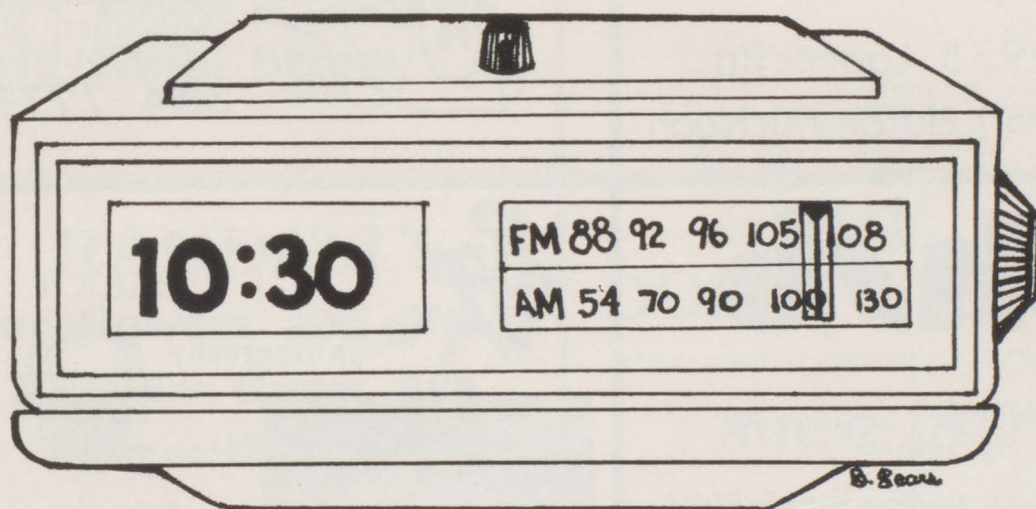

On June 6, the seniors had their Prom at SCCCC's College Center. Most couples went to dinner before the Prom, and at the Prom everyone had a good time. Finally, the big day came on June 12. During the day the Senior Luncheon took place in the McMorran Lounge. Everyone ate a chicken dinner, and then many seniors received special awards voted on by their friends. That night parents, teachers, and friends filled McMorran Arena as the nervous seniors waited to march in. The Class of 1980 proudly presented its valedictorian Mark Wyckoff (3.976) and its salutatorian Glenn Craze (3.951). Mark Wyckoff gave his valedictory speech and reiterated to the graduates, "This is it." Mr. Koerber, the senior class advisor, gave his farewell speech. Then all the seniors marched up to receive their diplomas from Board of Education members David Carr and Nancy Maywar.

"Time marches on" and as the 1979-80 year ended for the seniors, it also ended for Central High School. Waning finances closed Central, forcing students to attend half-day sessions at Port Huron High School and Port Huron Northern for the 1980-81 school year. However, in his valedictory speech Mark Wyckoff reassured alumni, graduates and underclassmen that the spirit of Central High School will always live in each one of us.

Our Time By: Jacki Hill

Let us flip the hourglass,
Back to the past,
Back to the times,
We wished would last.

Remember the good times,
As well as the bad,
Remember the happy times,
Along with the sad.

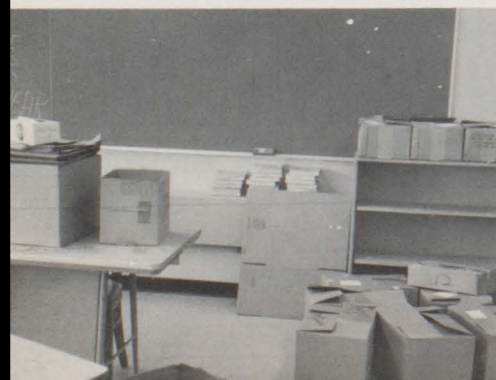

Spending this time,
Our last days together,
We tell our friends good-bye,
Some of them forever.

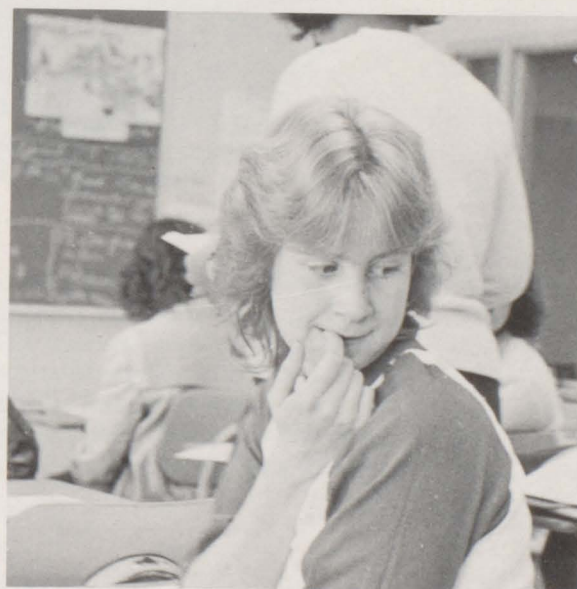

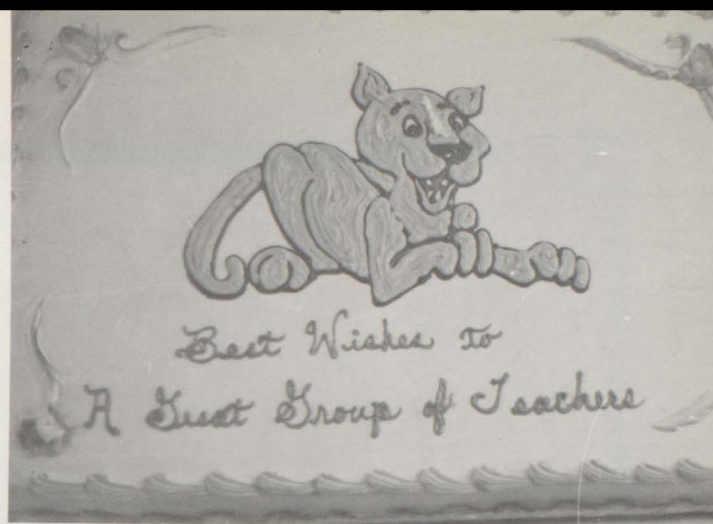

Think of those,
We may never again see,
And all of our memories,
That will always be.

We make the promises,
To keep in touch with our friends,
But usually those promises,
Are broken in the end.

We'll each go our own way,
When we walk out that door,
And our high school days,
Will exist ... no more.

The 1980 Yearbook is dedicated to Mrs. Rose Rankin, who was the president of Central's Booster Club from January 1979-January 1980. Rose Rankin loved sports and did her very best to develop, promote, and support all sports projects and activities. This she accomplished during her year as president.
